52.246-5	APR 1984	INSPECTION OF SERVICES COST – REIMBURSEMENT

E.2 INSPECTION

Inspection of all items under this contract shall be accomplished by the DOE Contracting Officer's Representative (COR) identified by the CO as responsible for the product, report, or service being delivered, or any duly authorized DOE representative as designated from time to time by the CO in writing in accordance with Section H of this contract. Primary inspection will be conducted at the ICP site but inspection may occur at other DOE sites or the Contractor's location. Inspection criteria used to determine whether the Contractor has met the requirements of the contract include, but are not limited to, compliance with Federal and State Regulations, DOE Directives and Standards, Regulatory Agency Agreements, and the performance objectives set forth in Section C and the Target Cost and Target Schedule language in Section B. Inspection will be conducted in accordance with FAR Clause 52.246-5, "Inspection of Services-Cost Reimbursement" (APR 1984).

E.3 ACCEPTANCE

- (1) Acceptance: Acceptance of all work and effort under this contract (including "Deliverables" in Section J, Attachment C) shall be accomplished by the Contracting Officer, or any representative designated by the Contracting Officer

in writing. Acceptance criteria which acknowledge items, services and deliverables conform with the applicable contract quality and quantity requirements include: compliance with Federal and State Regulations, DOE Directives and Standards, Regulatory Agreements, and the performance objectives set forth in the contract, Section C, and the Target Cost and Target Schedule language in Section B.

- (2) Acceptance – Declaration of Physical Completion: Upon physical completion of the contract requirements as set forth in the Statement of Work, the Contractor shall prepare a letter declaring that the work has been physically completed. After submittal of the letter, DOE will have 14 business days to concur on the Contractor's declaration. If DOE non-concurs with the Contractor's declaration, DOE will provide the Contractor with a list of material deficiencies within 30 days of DOE's notification of non-concurrence, and provide a schedule for correcting those deficiencies. Following the Government's notification, the Contractor shall correct all identified deficiencies and submit a Final Declaration of Physical Completion. The Contracting Officer will determine final acceptance.
